

<!-- This personal wiki generic template is based on the "Examples People" page of the Atlantia Wiki with modifications by Macsen -->

<!-- The main heading at the top of your page is generated automagically by the wiki. It consists of a header with the name of the page, in this case, your full SCA name. The wiki will also generate a Table of Contents with links based on the headings you supply in the body of the page below -->

<!-- This section creates an infobox on the right hand side of the page to display your basic information. Customize by replacing the keywords as needed -->

```
{{PopulaceBlue|photo = [[File:ATL-Badge2.png|thumb]]| photocaption = Photo pending |
location = Canton of , Barony of , Atlantia | status = Active | device =
[[File:AtlantiaPopulaceBadge.gif|thumb|A unicornate natural seahorse erect azure,
finned argent.]] | devicecaption = Personal Device pending | atlantianid = #####}}
```

<!-- This section creates the body of your page divided by headings. You may add or delete as many headings as you wish. Some ideas are suggested below -->
